

Ways to Donate while Shopping

Many local stores offer fundraising opportunities to local schools. We have registered with Kroger, Giant, Harris Teeter, Food Lion, Office Depot and Target (for RedCard holders). If you use a store card to receive discounts, that card can be linked to Tandem Friends so that a percentage of your sales will be given to the school either as cash or merchandise. You can use the links and codes below to sign up. In most cases, you must re-register your card every year. If online signup does not work on the first try, try again in a week as some of these programs take longer to process school re-registrations (schools also have to re-register each year). Please share this information with friends and family! School IDs and website links are provided below:

- Target (only works with RedCard credit cards):
 - 1% of purchases goes to school of choice
