

TANDEM FRIENDS SCHOOL

Summer Reading 2009

How many a man has dated a new era in his life from the reading of a book?

~ Henry David Thoreau (1854) ~

Dear Friends,

Our hope for summer reading is that it will nourish our students' love of reading. Some teachers like to begin the year with a common book; others simply want their students to read. With that in mind, book requirements for some grades have been chosen for accessibility and themes satisfying curricular needs. Students also are encouraged to independently choose from books that they think they will enjoy. An annotated list of book suggestions and web resources for both Middle School and Upper School reading is posted on the Tandem Friends web site on the Library Reading Lists page.

Have a lovely, restorative summer and happy reading!
