# SPORTS PROGRAM ELECTION FORM

## 2009-2010

As part of our commitment to happy, healthy students, Tandem Friends fields 18 sports teams and one club team, providing our students with an opportunity to learn, grow, and laugh as they mature into people who understand the value of a healthy lifestyle and cooperation as a team member.

All sports program participants are required to have an annual physical exam and provide a physician-signed Athletics medical exam form to Tandem Friends School once each year. Forms may be obtained at your doctor's office, or online through our website at [www.tandemfs.org](http://www.tandemfs.org). No student will be allowed to participate in any sports program, including pre-season practice, without a signed physical exam form.

Below are listed all team programs offered at Tandem Friends School. Each program is \$125.00 per student.

**Parents must submit this form directly to the BUSINESS OFFICE along with payment due**
